Dear Parents/Carers

Change of date: Yr 5 Taster day : 5th, 6th and 7th July 2022 - 9.00am - 3pm daily

We are incredibly excited to offer our Taster days for Year 5 again this year, we cannot wait to welcome them and you as parents/carers to see what the TEC family has to offer.

In preparation for September 2024, we are very excited to invite your child to our taster days on Wednesday 5th, Thursday 6th and Friday 7th July 2023 where they will have the opportunity to undertake the following activities:

- Meet new friends and new teachers
- Familiarise themselves with the buildings and the site
- Experience some lessons in Art, Science, Photography, Food Technology, PE (swimming), Humanities & Spanish amongst others
- Undertake some team building activities - including archery & zorbing

Students will need to wear their current school uniform and bring PE clothing for day 3. Individual timetables will be given to students on day 1 for the remaining days. Students will be provided with break time food and refreshments on day 3. This is so they can experience what food we have on offer. Free of charge.

If you would like to attend please fill in the form below, this will be then shared with your primary schools to make them aware of your attendance.

There will be a parent information meeting at 4pm on Wednesday 5th July in order for parents/carers to meet key staff and be given key information about the academy. For parents who cannot attend this meeting, we will offer a virtual Q & A session. Further information will follow on this.

We have a dedicated portion of our website to view for choices next year, we urge you to view to see what we have on offer.
