

Year 3 Summer 2 Newsletter

We are now in the final half term of Year 3 and how quickly has that flown? The children have had a full, exciting and busy year and we have only a few more weeks before they move into Year 4. Just a few more opportunities to flourish in Year 3!

P.E Days

The children will have a P.E lesson on a Monday and a Friday. We will be utilising the outdoor spaces as much as possible, so please send your child in their outdoor kit. Please note that we encourage PE t-shirts to be in their house colours, we respectfully ask that you provide plain t-shirts without logos or slogans. Please also remind your child to bring their water bottle and remove any earrings.

Reading Books and Diaries

Please could you remind your child to bring both their reading book and home reading diary into school every day. This is so they can have an opportunity to read in school on a daily basis. Children are able to and are expected to change their book weekly or when needed. Now that they are approaching Year 4 it is crucial that they take ownership of their own reading and they need to be responsible for bringing their books daily.

Uniform

It is not compulsory to have items of uniform with our logo on as we understand this can work out costly for families; however we do have a school uniform policy as below;

- Bottle green jumper/cardigan or zip up fleece.
- White polo t-shirt or white shirt/blouse.
- Dark grey trouser or skirts or green Gingham dresses.
- Black school shoes (Velcro or laces)

P.E uniform

- ☐ Black jogging bottoms or shorts
- ☐ Suitable trainers for outdoor use
- ☐ Trainers / pumps for indoor use
- ☐ White top

Warm tracksuit for outdoor use if the weather is cold.

Please provide sun protection for the hotter days (We are being optimistic in Year 3!)

Please also note that slip on sandals or shoes with heels are not appropriate as they are a hazard on the playground and in the event of emergency evacuation.

Homework

Maths homework is set every Friday. The children will be asked to complete specific pages of their 'Key Stage Two Maths Targeted Question Book or a suitable alternative'. The homework will need to be completed by the following Friday, where it will be marked and the next pages set.

As well as the maths homework, children have various logins where they are able to complete online activities.

Such as:

Time Table and Curriculum

Year 3 curriculum information and long term plans can be found on the Hanbury's Farm website under children --> class pages --> year 3.

reading  plus
