Dear Mr Peter Hollis,

So impressed was I with the behaviour and attitude of your year 3 pupils when they visited us at Birmingham Botanical Gardens recently, that I felt it important to write and congratulate your school and ask you to pass on my congratulations to the pupils in question.

They were all so excited and enthusiastic about the Growth teaching session that they undertook, and their behaviour and attitude were impeccable as they remained engaged throughout. Furthermore, they were all extremely polite and courteous to members of the public, Gardens' staff and other school children as they undertook activities around the site.

Therefore, we would be more than pleased to see your pupils return anytime and we look forward to welcoming your school again soon.

Also, could I please ask that if there are any photographs of your school's visit or any display/project work etc. that has been completed since, which we could use for display/promotional purposes, that they are forwarded to us at: education@birminghambotanicalgardens.org.uk. (We will assume permission of use for any photographs sent to us, unless told otherwise.)

Yours sincerely,

James Jarvis (Education Manager)
