

CHANGES TO BOOKING FOR BREAKFAST CLUB SESSIONS

Dear Parents/Carers,

As you may be aware it is **paramount that ALL** Breakfast Club sessions are pre-booked and paid for in advance. With increasing demand and to meet health and safety regulations, we are required to have the number attending each day in advance to ensure the club is staffed correctly. This is done via ParentPay, the **last day** to do so is the **Thursday before** the desired session/s.

As mentioned in previous correspondence, there are two different payable sessions.

- Morning session - 7.30-8.45am - £4.50
- Breakfast session - 7.45-8.45am - £3

This has slightly altered the way you book in. When you click on the Breakfast Club payment option, underneath add to basket is the usual Make Bookings button. Below on the right is what comes up next, you have the option to choose between 'Breakfast' or 'Morning' (and the week you are looking to book for). **BREAKFAST** is for the **£3 session** and **MORNING** is for the **£4.50 session**. This then opens the normal booking selection.
